20 The above-captioned matter is set on November 17, 2017 before this Court for an evidentiary
21 hearing on a petition alleging violations of Defendant's conditions of supervised release. The parties
22 request that the Court continue the hearing to December 18, 2017. The continuance is requested because
23 an amended petition alleging additional charges will be filed, and the parties will need time to review the
24 new allegations and prepare for the evidentiary hearing.

25 In addition, Mr. Wilson, on October 30, 2017, underwent a surgical procedure, which results in
26 him having limited physical movement, and makes his participation in the currently-scheduled hearing
27 impractical. The Probation Office has seen Mr. Wilson since the surgery, and confirmed he is unable to
28 walk. Due to Mr. Wilson's medical status, he is not currently cleared by his doctor to work.
